

Document Translation Services

Certified Languages International (CLI) offers professional translation services in virtually any written language. CLI's translations services are secure, timely, accurate, competitively priced, and customized to fit all your business needs.

In today's global economy, using our professional translation service allows you to efficiently conduct business — in any language. Getting documents translated is simple.

Every document translation project is meticulously translated, proofed, formatted, and proofed again with a thorough quality assurance process that represents the utmost in professional attention to detail.

Industry-Specific Expertise

CLI provides certified document translation across all industries, including for government and legal agencies, healthcare and medical facilities, insurance companies, and financial institutions. Our document translation experts are highly skilled professionals with subject-matter expertise and advanced degrees in a wide range of disciplines. All CLI translators have advanced written fluency in both English and their native language. Our professional translators are HIPAA certified, bound by strict confidentiality and privacy agreements, and adhere to industry best practices.

Highest Standards of Quality and Security

All of CLI's language services reliably provide you with accuracy and the highest levels of individual attention and customer service. CLI is an active member of the American Translators Association (ATA), the Association of Language Companies (ALC), and the Northwest Translators and Interpreters Society (NOTIS). We prioritize the greatest protection of your data with stringent security standards, certification, and compliance. CLI also offers the following related services:

Desktop Publishing & Typesetting

CLI produces translated documents using standard software programs, including Microsoft Word, WordPerfect, Quark, PageMaker, Photoshop, Illustrator, InDesign, PowerPoint, and Excel. We will provide you with usable, print-ready materials in any language and any format. From brochures and catalogs to posters and promotional material, we deliver the job complete and ready for press.

Translation Services for Website Localization

For complete multi-lingual website translation, CLI works with top-notch localization experts. We focus our efforts on providing superior quality translation and cultural adaptation of your site content, while working closely with your web development team to align content to your company voice.

Transcription Services

CLI offers high quality yet affordable transcription services. We transcribe all manner of Braille, audio, and video files — including court proceedings, lectures, interviews, and conference calls. Our transcription solution reflects the accuracy, exceptional value, and responsive service that our trusted clients rely on.

Translation Pricing

Our document translation rates vary by language. All languages are priced by the word, and there is a minimum project fee of \$75 for Spanish and \$100 for all other languages. Minimum rates may be negotiable dependent upon volume. Any additional formatting fees are charged by the hour and will be quoted upfront prior to translation. Please email translations@certifiedlanguages.com to request a quote or if you have any questions.
